@100% 250mm(w) x 500mm(h) - Each Lightbox

Please keep all text, logos and critical design elements inside the safe area (Green Keyline) & ensure background colours/images bleed to the edge of the art board.

Please note: We do not recommend running artwork over multiple frames*.

* We can't guarantee when the artwork is printed, finished and built that the text and images will be 100% aligned. This is due to the nature of the product where the fabric is hemmed, fitted into the frame of each panel and could be stretched when built, resulting in misalignment of the artwork.
