

SANITISER BOTTLE HOLDER

For SkipperQ Modular Queue Barrier.

The hand sanitiser bracket holds standard pump dispensers up to a diameter of 75mm. The bracket is designed for areas where sun screens, sanitisers and other gels and creams are required, such as construction sites, hygienic environments and kitchens. Via the modular Skipper connector slot, the sanitiser bracket can attach easily and securely to other Skipper products including the cord strap clip, suction pad, post & base collar and wall clip - as well as the Skipper unit itself.

FEATURES:

- Versatile design allows the sanitiser bracket to attach to almost any surface
- Fully compatible with a range of Skipper products
- No requirement for fixed installation that requires drilling or other costly permanent works.
- Connects to the post & base collar, cord strap clip, wall clip and the Skipper unit
- Holds standard pump dispenser bottles
